

TO SURROUND OJEDA IS PLAN

Three Rebel Commands on
Trail; Federal Leader Must
Fight or Surrender

REBELS HOPE TO TAKE NACO BY SATURDAY EVE

Northern Sonora May Declare
Her Independence Soon;
Naco Only Post Untaken

DOUGLAS, Ariz., March 14.—Rebel
Commander Gaites, with 400 infantry,
started west today on the trail of
the federals under Gen. Ojeda, who
recently evacuated Agua Prieta to
go to Nogales. He was followed
three hours later by Bracamonte with
three hundred cavalry and infantry.
Diaz, with 300 men, is marching
from the south. The combined
commands plan to surround Gen. Ojeda
tomorrow morning and demand his
unconditional surrender or battle.

It is expected the Naco garrison
will be captured before tomorrow
night, completing the new state's
conquest of northern Sonora. It is
rumored a declaration of Sonora's
independence from Mexico will be
circulated next week.

The federalist last stand will prob-
ably be made at Naco. It is believed
that Gen. Ojeda united with the
weak Naco garrison following the
federal defeat yesterday at Nogales.
Naco is the only post remaining to
the federals in northern Sonora. If
a battle ensues the federals will have
about 600 men and several cannon
and will be opposed by nearly 1000
rebels well armed and equipped. It
is not known whether the rebels have
field guns. None was taken when
the march from Agua Prieta began.

STATE APPEALS FOR CITRUS DUTY

Memorial to Congress Passed
Today by Senate—Beban
Committee May Die

SACRAMENTO, March 14.—Senator
Boydton's resolution to memorial-
ize congress against reducing the duty
on citrus fruits today passed the sen-
ate. It cites the fact that the citrus
industry of California represents an
investment of two hundred millions
and that the present duty equalizes
the difference in the cost of produc-
tion in America and foreign coun-
tries without protecting the produc-
ers' profit or equalizing the difference
in cost of transportation. It says a
reduction of duties would retard the
development and growth of the state
of California.

BEBAN COMMITTEE SEEMS LIKELY TO DISCONTINUE

SACRAMENTO, March 14.—A com-
mittee created by the Beban resolu-
tion to investigate the connection be-
tween starvation wages and white
slavery, decided to make no move as
long as it is forced to guide itself by
the Beban resolution. This was ap-
parent following a conference of the
committee members and the governor.
Chairman Gates said the committee
would probably report to the senate
that it is unable to proceed under the
Beban instrument. If the senate ac-
cepts the report there is a strong in-
dication that a minimum wage bill
will be immediately reported with the
recommendation that it pass.

The minimum wage bill introduced
by Brown of Los Angeles is appar-
ently the one preferred. This calls for
a commission of five to be appointed by
the governor. It must include one
woman, the state labor commissioner,
and one representative of organized labor,
and one representative of the employ-
ers. The Beban commission meets
again tomorrow when definite action
will probably be determined on.

REBELS HOLD NOGALES— ESTIMATES OF DEAD VARY

NOGALES, Ariz., March 14.—The
rebels are in undisputed possession
of the town following yesterday's
bloody battle. The latest estimates
of the dead by non-combatants is
thirty, although the rebel leaders
still claim a hundred is correct. Five
persons on the American side of the
border were struck by bullets. The
town is orderly and quiet. It is gen-
erally expected that Naco will fall
before Sunday.

Two Long Beach People Killed As Trains Crash

OMAHA, March 14.—Mr. and
Mrs. August Meyers of Long
Beach, and two others, were killed
when Union Pacific passenger
train No. 72 crashed into the
rear of passenger train No. 4, at
midnight, near Cozad, Nebraska.
Few details have been received.
A relief train is en route to the
scene of the accident.
The deaths of four other prob-
able news later reached here
from Herndon, Neb. Two Union
Pacific freight trains are piled
up in a blizzard. The engineer,
two brakemen and one stock-
man who are missing are be-
lieved to be dead.

A blizzard is raging through-
out the entire west Mississippi
valley. Train service is already
crippled and wire service demor-
alized.
The three persons killed were
crushed to death in their berths.
The three injured are expected
to die. State Railroad Commis-
sioners Howell and Clark left
Lincoln at noon to investigate
the disaster. A snow storm, pre-
venting the engineers from see-
ing lights ahead, is believed to
be responsible.

SUFFRAGE PARADE PLANNED TO TAKE PLACE IN NEW YORK

NEW YORK, March 14.—What is
planned to be the largest parade yet
held in the interest of woman suf-
frage will be held here May 3. The
parade will be headed by the National
American Woman Suffrage associa-
tion, divided into seven groups. The
groups will comprise the national of-
ficers, delegations from the nine suf-
frage states, delegates from states
where the suffrage amendment is
ready to be submitted to the voters,
from states where the amendment is
awaiting action by legislature before
submission, from states where the
suffrage bill has passed one house
this session, from states in which
petitions initiating suffrage legisla-
tion are circulating, and from states whose
legislatures have failed to act on a
suffrage bill this year.

FRANKLIN K. LANE MADE BLACKFOOT BRAVE BY TRIBE

WASHINGTON, March 14.—Frank-
lin K. Lane, secretary of the interior,
has had many honors conferred upon
him.
Yesterday a delegation of Black
Foot Indians came along and made him
a chief of their tribe. The honor was
unusual, unheralded and unexpected.
The Indian braves presented him with
a Calumet pipe—the pipe of peace—
and after mumbling several strange
sentences over him he was declared
to be a full-fledged chief.

FREE BOOK PLAN PROPOSED

LANSING, Mich., March 14.—The
school board has decided to submit
the question of text books to the peo-
ple. The problem has been under
consideration for months and the suc-
cess which Detroit schools have ac-
complished under the plan, has con-
vinced the board that free text books
are desirable.

TOURISTS TAKING SANTA ANA BY STORM

Overwhelming Rush of Middle
West and Eastern Folks
This Morning

CITY HALL RECEIVES TWO TROLLEY LOADS

Chamber of Commerce Exhibit
Object of Unrestrained and
Unlimited Interest

There was a rush of tourists to
this city today, and for a time they
threatened to overrun the reception
rooms of the Chamber of Commerce
and all the municipal departments of
the city hall. There were two trolley
excursions comprising chiefly people
from the middle west and other
points farther east, and in addition
there were many visitors who came
on their own personally conducted
trips.

For a time today it looked as if the
number of visitors from the states of
Illinois and Michigan were going to
be large enough to mark an epoch
in the visiting list here, so that the
day would have to go down in local
history as "Michigan and Illinois
Day;" but it developed later that sev-
eral other sections of the country
were well represented and this signal
honor was not conferred. Iowa came
to the fore, as usual, and the fore-
ign list was added to by the arrival
of J. Terrence Wythe, of Athlone,
in this connection Secretary Metz-
gar showed the visitor the arrival
yesterday of a young American whose
home is at Tientsin, China, J. B.
Bardsley by name.

"They come here from all parts of
the globe," said the secretary. "It is
the same every day, except each suc-
ceeding day nowadays brings a larger
number of visitors than did the day
preceding."

Among the visitors today were the
following:
T. W. McNamee, Wabash, Ind.; J.
C. Pasley, Terre Haute, Ind.; Eleanor
Wesley, Adrian, Mich.; Mrs. Marie
Blahinto, Chicago, Ill.; Marie W. Blahinto,
Chicago, Ill.; Mrs. Fucik, Chicago;
John Fucik, Chicago; Mrs. A. D. Water-
bury, Polo, Ill.; W. G. Sloan and wife,
Adrian, Mich.; P. C. DeVol and wife,
Miss Elizabeth DeVol, Battle Creek,
Mich.; Miss Mary DeVol, Mrs. K. M.
DeVot, Council Bluffs, Iowa; Mrs. W. C.
Close, Mrs. Jo Burns, Sioux City,
Iowa; Christine Borek, Edith Borek,
Yukon, Okla.; R. F. Gunderson,
Mrs. C. Means, Wykoff, Minn.; Mrs.
Harriet Hendee, Portland, Ore.; A.
H. Hagen, Lockport, Ill.; Mrs. Chas.
Richter, batavia, Ill.; Miss Allene,
Winthrop, Manitoba; F. L. Mackey,
Waterloo, Iowa; Mrs. Frank Martin,
Los Angeles; S. B. Hayes and wife,
Pittsburgh, Pa.; James Cameron, San
Francisco; Mrs. A. M. Perry, Boston,
Mass.; M. L. McLellan, Boston; Mrs.
B. Bailey, Mrs. L. Jacobs, Upland,
Cal.; Mrs. G. Daniels, Los Angeles;
Mr. J. H. Clark, Belle Vernon, Pa.;
Mr. and Mrs. L. Richter, Champaign,
Ill.; Miss Lizzie Maude, Fayette
City, Pa.; Mrs. M. F. Carner, La
Veta, Colo.; Mrs. E. Matthews, Win-
nipeg, Canada; Mrs. C. F. Schlitten-
hardt, Los Angeles.

MARINE ENGINE FACTORY LIKELY TO GO TO LONG BEACH

LONG BEACH, March 14.—Repre-
sentatives of an eastern corporation
which manufactures marine engines
and has a large capitalization yester-
day visited Long Beach to inspect the
harbor district, looking for a site.
They were accompanied by C. E. Mc-
Stay, temporary secretary of the in-
dustrial bureau of the Los Angeles
chamber of commerce.

The sum of \$100,000 is to be spent
on the plant the company proposes to
erect in Southern California. It would
employ 125 men.

JOHN MITCHELL IS NOT AWARE OF CANDIDACY

DES MOINES, Iowa, March 14.—"I
have heard nothing about my appoint-
ment to the office of state labor com-
missioner of New York," said John
Mitchell, vice president of the Ameri-
can Federation of Labor, who arrived
in Des Moines yesterday.

"Would you accept the position if
tendered you?" he was asked.
"That is a matter which I do not
care to discuss," was the reply.
Mr. Mitchell is going through Iowa
on a lecture tour.

R. R. COMMISSION OPPOSES U.P.-S.P. DISSOLUTION PLAN

SAN FRANCISCO, March 14.—The
state railroad commission announced
a flat opposition to the dissolution
plans of the Harriman lines unless
modified to permit all roads equal
traffic and trackage privileges with
the roads concerned in the merger.

REAL ESTATE IS BRINGING MANY INQUIRIES

Santa Ana and Orange County
Lands and Property in
Growing Demand

ACTIVE SEASON IS FREELY PREDICTED

Exceptional Advantages of This
Section Attracting Much
Outside Attention

To complete plans for the forma-
tion of the Santa Ana Realty Board,
another meeting of local real estate
operators will be held tonight at
the Chamber of Commerce rooms.
Considerable interest is being mani-
fested in this movement, which its
leaders predict will result in great
benefit to all persons engaged in the
realty business, and also prove ac-
ceptable to individuals and corpora-
tions who buy in this section.

An active real estate market in
Santa Ana and Orange county gen-
erally is the prediction freely made
by real estate men in this city. On
all sides the active operators are find-
ing indications of a constantly in-
creasing demand for city property as
well as for outside acreage. Similar
reports come from surrounding coun-
ties, for the fame of Orange coun-
ty as a comparatively frostless sec-
tion has become widespread. In-
quiries for homes in Santa Ana
are noticeably more numerous than
they were two or three months ago.
The steady stream of visitors here
during the winter months, has also
helped to convey to the outside world
some of the magnificent advantages
that this city and vicinity possess.
The further development of outlying
fields is assured with a regularity
the coming spring and summer that
will mean the adding of hundreds of
thousands of dollars to the county's
material wealth. Business property
in Santa Ana is also looking up, with
a solidity of prices that shows a
thorough appreciation of the inevi-
table growth of the city in population
and commerce.

"Everything looks good, exception-
ally good," remarked N. J. Warner of
the firm of Wells & Warner, this
morning. "Prospects are splendid.
In fact, conditions all around are
very good and looking up all the
time. Acreage is in demand, trees
are leaving out splendidly and the
ground all about is in fine shape.
There is quite a little demand for in-
side property, and good reports are
coming from all directions. Certain-
ly business indications in Santa Ana
are excellent."

"I look for one of the best seasons
we have ever had," said J. M. Cain of
Cain & Drake. "The indications
point strongly this way. We have
had as much business the first two
months of this year as we had in six
months last year. Acreage property
seems to be the best just now but
there is something doing in all lines
of real estate."

Schooley & Schenck say the same
thing. They are receiving an increas-
ing volume of inquiries every day,
covering practically everything from
small lots to big business properties.
They also find considerable interest
being shown in beach properties.

MEEKERS WON RACE WITH GRIM DEATH

Reached Son's Bedside in Santa
Barbara—Believed Boy Has
Chance of Recovery

SANTA BARBARA, March 14.—The
special train bearing Arthur
Meeker, the Chicago millionaire
packer, and his wife, to the bedside
of their sick son arrived at Montecito
at noon. The father, mother and
doctor were rushed to the Meeker
home in an automobile. The boy was
conscious and greeted his parents.
His condition is improved and the
doctors believe he will recover.

Rushing to the bedside of their ten-
year-old son, Arthur, ill at Montecito,
near Santa Barbara, the Meekers
arrived at Los Angeles at 9 o'clock
from Chicago, and immediately
boarded a special train waiting for
the last lap of the journey. They
were accompanied by Dr. Joseph
Miller, their family physician.

Lad's Condition is Improved
SANTA BARBARA, March 14.—The
condition of Arthur Meeker, Jr.,
is reported as improved today. He
is suffering from pneumonia and
heart affection.

HARDEST STORM OF WINTER HITS THE NORTH, SOUTHEAST AND THE MIDDLE WEST

Terrific Blizzards, Rains, Zero Weather
Takes Death Toll of 30; Property Dam-
age Great—Traffic Halted

NEW ORLEANS, March 14.—At
least sixty-five are dead in the tor-
nado-swept districts of the south ac-
cording to meager reports here. The
wires are down in most places. It is
believed this total will be increased
by full reports. Estimates of property
damage range from three to ten mil-
lions. Complete details of the storm
will be impossible for several days.
Wild rumors that hundreds are dead
are causing much excitement. These
cannot be verified and are generally
discredited.

NORTH, MIDDLE WEST AND SOUTHWEST IS INVOLVED

CHICAGO, March 14.—With terrific
blizzards and zero temperatures in
the north and cyclones, torrential
rains and high winds in the south, the
entire middle west and southeast are
in the grip of the hardest storm of
the winter. In all directions from
Chicago the wires are down. Only
the barest bulletins are being received
of the damage being wrought every-
where.

Montana and Wyoming are swept
with sleet and snow and many trains
are tied up. Curtailed reports from
the south place the death toll from
cyclones and storms of the last twenty-
four hours at thirty. All street
traffic is hampered here and trains
are stalled throughout Illinois.

75-MILE GALE IN WISCONSIN IMPERILS LIFE—DOES DAMAGE

SHEBOYGAN, Wis., March 14.—
Heavy property damage was done to-
day and many lives on the lake were
imperiled by a seventy-mile an hour
gale. A miniature cyclone swept the
outskirts of this city this afternoon,
causing thousands of dollars worth of
damage.

NEBRASKA IN GRIP OF BLIZZARD—WIRE AND RAIL TRAFFIC HALTED

OMAHA, Neb., March 14.—All Neb-
raska is gripped in a blizzard, scores
of trains are stalled and wire com-
munication is almost impossible.
Street car traffic here is hampered
and many trains have been cancelled.
The storm extends south into Kansas.

TORONADO IN ILLINOIS DEALS DEATH AND DESTRUCTION

JACKSONVILLE, Ill., March 14.—
Charles Gilpin is dead and two others
are seriously injured as a result of a

tornado sweeping Morgan, Menard,
Greene, Jersey and Cass counties. The
property damage is estimated at many
thousands.
The Catholic church and railway
depot at Kingley, Ill., were destroyed.

5 DEAD IN MEMPHIS— DOZEN TOWNS SUFFERED

MEMPHIS, March 14.—Five are
known dead and several injured and
hundreds are homeless from a storm
sweeping western Tennessee last
night. Dozens of towns suffered se-
vere property loss. Telegraph com-
munication is disrupted.

18 DEAD IN GEORGIA— PROPERTY DAMAGE GREAT

ROME, Ga., March 14.—Eighteen
people are reported dead as a result of
a general storm sweeping northwest
Georgia. The property damage is
heavy.

CYCLONE KILLS MANY— TERRIFIC RAINSTORM FOLLOWS THE GALE

COLUMBUS, Ga., March 14.—Sev-
eral are reported as killed in a cy-
clone destroying several city blocks
here. Many were injured in a terrific
rainstorm that followed the cyclone.
The Racine Hotel where the St. Louis
National League club is staying was
damaged. Several of the players
were struck by flying debris, but none
were seriously hurt.

TRAIN BELIEVED BLOWN INTO RIVER BY FIERCE GALE

NASHVILLE, Tenn., March 14.—A
Nashville, Chattanooga and St. Louis
passenger train is believed lost on
the Duck River branch below Lexing-
ton, Tenn. The road officials think
the train was blown from the trestle
into the Tennessee river by the tor-
nado. All communication with that
district is severed. The company is
besieged by inquiries from relatives
of passengers. The storm is raging
throughout the state. Many are re-
ported dead and injured, and heavy
property damage has resulted.

COLORADO AND DAKOTAS GALE BLOWN; STORM IN DES MOINES

DENVER, March 14.—A fifty-mile
wind is driving sleet and snow
throughout Colorado and the Dakotas,
according to reports over crippled
wires. At noon the storm appeared to
be centered in Des Moines, Iowa.

WANT SUPERVISORIAL DISTRICTS CHANGED

The movement for a rearrangement
of the supervisorial districts is
brought to Santa Ana today
when a committee representing five
sections of the county met with a
committee of three members of the
chamber of commerce for the purpose
of urging the claims of those advocat-
ing the proposed changes.

The visitors were A. A. Mills, of
Anaheim; R. J. McFadden, of Placentia;
W. T. Brown, of Fullerton;
H. H. Lake, of Garden Grove, and A.
Nelson, of Buena Park.

The chamber of commerce was rep-

resented by President F. H. Case,
George W. Minter, and Secretary
Metzgar.

The visitors base their argument
for the redistricting of the county in
supervisorial districts, upon the
ground of population, it being con-
tended that the present arrangement
of the districts is not equitable.

The conference was for the purpose
of setting before the Santa Ana or-
ganization the reasons and arguments
in favor of the proposition. The meet-
ing was in progress when the Register
went to press.

I. W. W. LEADER WARNED TO NOT INCITE VIOLENCE

AKRON, Ohio, March 14.—Two hun-
dred citizens armed with clubs met
William D. Haywood, the Industrial
Workers of the World organizer, when
he stepped from the train here. Cap-
tain of police Gullett addressed Hay-
wood, saying: "You've probably
heard a strike is in progress among
the employees of the Akron rubber
concerns. I merely wish to inform
you that any attempt on your part
to incite strikers to violence will re-
sult in your immediate arrest and de-
portation. Do you understand?" Hay-
wood replied "Yes," then accompa-
nied the strikers' committee to strike
headquarters.

A thousand citizens have been
sworn in as deputy sheriffs, and are
aiding the police to patrol the streets.
At a late hour there had been no vi-
olence.

SENATE COMMITTEE FAVORS BILLS CURB- ING N. Y. EXCHANGE

ALBANY, N. Y., March 14.—In the
state senate yesterday five of the bills
favored by Governor Sulzer affecting
principally the New York stock ex-
change, introduced by Senator Still-
well, were reported favorably and re-
ferred to the committee of the whole.
The bills were:

The anti-broker shop bill; making
it a felony to manipulate the price
of stock; making it a felony for brok-
ers to transact business after insol-
vency; making it a felony to publish
false statements regarding the securi-
ties or financial condition of a cor-
poration; providing for the organiza-
tion and regulation of exchange cor-
porations through incorporation.

AUSTRALIA'S NEW CAPITAL CITY PLANS BEING COMPLETED

SIDNEY, N. S. W., March 14.—The
site having been christened by Lady
Denman, wife of Governor General
Baron Denman, preparations are be-
ing made to complete plans for Aus-
tralia's capital city, Canberra. The
site at present is occupied by nothing
but a handful of farm buildings. Bar-
on Denman, following the dedication
of the site, laid the first stone for the
foundation of the first public build-
ing in the new city.

SENATOR REFUSES TO GIVE UP PAPERS

Senator William Alden Smith
Holds Papers on Mexican Af-
fairs Ignoring Court

WASHINGTON, March 14.—Senator
William Alden Smith yesterday ig-
nored an order of the federal court at
New Orleans ordering him to surren-
der papers in his possession bearing
upon the alleged activities of A. Bul-
win & company of New Orleans, in
selling arms to the Mexicans. The in-
formation came to Mr. Smith as chair-
man of the committee which investi-
gated the Mexican situation and his
committee instructed him not to part
with the papers.

UNIVERSITY HEAD IS NAMED MINNEAPOLIS, Minn., March 14.—

Dr. F. E. Westbrook, of the University
of Minnesota, has been appointed
president of the new university of
British Columbia at Vancouver, B. C.
He will take up his duties immedi-
ately after the end of the university year
at Minnesota.

2 MEN HURT AT 5TH. ST. BRIDGE

One Wheeling Barrow Drops It
Upon Fellow Workmen in
Pit Underneath

ONE MAN'S SKULL IS BELIEVED FRACTURED

Peculiar Accident Mars Work
at Structure Being Finished
by the County

Death gave two workmen on the
new Fifth street bridge a close call
early this afternoon, and it is by no
means certain that one of them may
not yet answer the unexpected sum-
mons, which came as the result of a
peculiar accident.

One of the workmen, J. J. Chrissan
by name, was engaged in wheeling a
barrow full of rocks and stones, across
a plank of ordinary width, and over
which he had made many trips, when
suddenly the wheel turned to one side
and barrow and man went hurtling
downward.

The slip occurred just above a pit
where W. Myers was engaged at work,
and before the startled cries of the
other workmen could be heard by him,
Myers was buried beneath the load
of rocks. He was struck by both the
barrow and by Chrissan's falling
body.

The unfortunate accident occurred
in almost the twinkling of an eye, and
before any of the men on the scene
had fully realized what was happen-
ing. Immediate assistance was at
hand, and willing hands rescued the
unconscious forms of Myers and
Chrissan, and hauled them to the
ground above. Medical attention was
at once summoned, and later Myers
was removed to the office of Dr. Gor-
don. It was found that he had sus-
tained a severe injury to his skull,
which has been fractured. Chrissan
was also injured about the head but
he soon recovered consciousness.

QUARTETTE OF ELOPERS ARE ARRESTED

Married Son of State Senator
In Scandal—Deserted Wife
and Two Children

SACRAMENTO, March 14.—Arrested
at Reno, Maury I. Diggs, former
state architect and Drew Caminetti,
son of State Senator Caminetti, and
Marshall Warrington and Lola Norris,
nineteen-year-old Sacramento society
girls who eloped Sunday night, will
be brought here for trial on charges
involving delinquency on the part of
the girls, and child desertion for the
men.

Both of the men have wives. Cam-
inetti has two children and Diggs one.
Caminetti's youngest child is but five
weeks old. The detectives today se-
cured extradition papers from the
governor's office.

QUARTETTE WERE LIVING TOGETHER IN BUNGALOW

RENO, March 14.—The arrest of
the Diggs-Caminetti quartette was
made today by Chief of Police Hill-
house. The quartette was living in a
furnished bungalow.

TEMPERANCE MAKES GREAT STRIDES IN SWEDISH KINGDOM

STOCKHOLM, Sweden, March 14.—
The temperance movement is making
great strides in Sweden. Both houses
of the riksdag have passed a bill for-
bidding the sale of wine, beer and
liquors in the riksdag restaurant, the
new rule taking effect in January,
1914.

Crown Prince Gustaf Adolf and
Crown Princess Margaret Victoria are
strong advocates of temperance.

WASHINGTON ADOPTS MINI- MUM WAGE FOR WOMEN

OLYMPIA, March 14.—Only the
governor's signature is needed to put
into effect a minimum wage law for
women, just enacted by the senate. A
special commission is empowered to
designate what shall constitute a liv-
ing wage.

IN THE JUSTICE COURT

BAD CHECKS ARE
BACK OF HIS
TROUBLES

Man Who Toured Through This
City Recently Now Held
In \$1000 Bail

Checked indeed has been the career of Theo. E. Beuckner, who was known in this city a few days ago as J. T. Marshman, if the reports concerning him are correct, according to the information in possession of the sheriff's office. Beuckner was taken before Justice of the Peace Cox this morning and arraigned on the charge of issuing a worthless check to H. H. Kelley of the Cadillac garage. The check purported to be good on the Park National Bank of Los Angeles, and bore the name of J. T. Marshman. The check was discredited at the bank and Beuckner's arrest in San Diego followed.

After being arraigned he inquired if he furnished bonds for his appearance at his preliminary examination, which

has been fixed for March 27, whether he could be rearrested on a similar charge. Deputy District Attorney Koepsel informed him that he could, and added that the San Diego authorities are waiting for him. It is also stated that a bad check issued in Anaheim is charged to his account. With this information conveyed to him, Beuckner made no further inquiry. When the accused passed through Santa Ana he was accompanied by a woman who gave her name as Mrs. Higgins. She was allowed to take care of the auto in which the two were traveling together, and she left San Diego ostensibly for this city, but as yet she has not reported at the county jail to make an inquiry in regard to her imprisoned and erstwhile companion.

Accused Men Furnish Bail.
Horace L. Enoch and O. L. Cowden of Brea, who were arrested yesterday on the charge of disturbing the peace, have been released on bail bonds by Justice Cox in the sum of \$25 each. The complaint was sworn to by Jeff Maddox. The accused will plead March 18.

STOMACH STARVERS
EAT ANYTHING NOW

No Indigestion or Upset Stomach for "Pape's Diapepsin" Users

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.—Advertisement.

CHIEF COURT
BUSINESS

Regular Friday Proceedings
Somewhat Briefer Than
Usual Today

The usual probate business occupied the time of the superior court this morning, Judge West presiding. There were fewer cases up for consideration than for sometime past.

Estate of Minnie M. Bentz, order of sale issued to administrator, Joseph Helmsen, to sell, under \$5000 bond, certain land in Nemetz addition to Anaheim.

Claim of Elvora Beringer as guardian of John L. Bentz, a minor, against the estate of Minnie M. Bentz was allowed.

An order was made allowing Mand Long, widow of Thomas K. Long, \$50 per month for family maintenance from said estate.

Estate of W. G. Wells, order issued to George R. Wells, administrator, directing him to convey to F. B. Dyer certain real estate, being the south two-thirds of the east half of lot 5, East Side addition to Santa Ana.

Estate of Levina Cobler, certificate of will approved, estate valued at \$3000.

Estate of H. T. Metzgar, letters of administration issued to C. H. Metzgar.

Estate of Louise Truscott, letters of administration issued to Grace Truscott.

Estate of Anna D. Lewis, decree entered showing due notice to creditors has been given.

Help For Orange Show

The supervisors of San Bernardino county have written to the Orange county supervisors requesting their support and influence for a measure pending in the state legislature that proposes to appropriate \$4000 for the annual orange show that is held in San Bernardino city. It is pointed out that this event has been proving of benefit to all Southern California. The local supervisors will act upon the matter at their next regular meeting.

Letters of Administration

Petition has been filed by Public Administrator Winbigler for letters of administration in the estate of T. P. Moore.

Verdict For Plaintiff

The jury in the superior court yesterday afternoon rendered a verdict

in favor of Henry F. Leukfeld, who brought suit against the Home Gas & Electric company of Newport Beach for \$155.49 for supplies and material furnished that corporation during the past year.

To Quiet Title.
Suit has been filed by E. W. Gaffey against Charles Montgomery et al to quiet title to a piece of land in Hell's tract in Santa Ana.

Final Decree of Divorce.
A final decree of divorce was this morning granted to Louis Petersen from Dora M. Petersen. Attorney E. F. Langley represented the plaintiff.

Marriage Licenses.
Charles Alfred Virgoe, 19, and Mary Pearl Barnes, 20, both of Anaheim.

CROSS OR FEVERISH
HALF-SICK CHILDREN

Mean Their Bowels Are Waste-clogged; Liver Sluggish and Stomach Sour

Your child isn't naturally cross, irritable and peevish. Mother! Examine the tongue; if coated, it means the little one's stomach is disordered, liver inactive and its thirty feet of bowels clogged with foul, decaying waste.

Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little one's tender stomach, liver and bowels so effectively. Besides they dearly love its delightful fig taste.

For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath or to break a cold, give one-half to a teaspoonful of "Syrup of Figs," and in a few hours all the clogged-up waste, sour bile, undigested food and constipated matter will gently move on and out of the system without griping or nausea, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advertisement.

Best Known Cough Remedy

For forty-three years Dr. King's New Discovery has been known throughout the world as the most reliable cough remedy. Over three million bottles were used last year. Isn't this proof? It will rid you of your cough, or we will refund your money. J. J. Owens, of Allendale, S. C., writes the way hundreds of others have done: "After twenty years, I find that Dr. King's New Discovery is the best remedy for coughs and colds that I have ever used." For coughs or colds and all throat and lung troubles, it has no equal. 50c and \$1.00 at all druggists.—Advertisement.

Jury's Verdict in the Kilty Case
Believed to Be Giving Beneficial Impetus

The decision of the jury in the superior court whereby Timothy Kilty and his wife received only \$100 for their land along the Sanitago creek which was wanted for the Pacific Electric railway right-of-way, after company and right-of-way committee had agreed upon \$250 as a fair price, is having an enlivening effect upon the case in general.

There are only two other cases of the same character to be decided, and the settlement of one of them is being discussed this afternoon by N. T. Edwards and F. L. Ainsworth of the citizens right-of-way committee of Orange, and C. Ochlik. The latter has been unable to convince the committee that they understood the situation insofar as his property is concerned, but the committeemen this afternoon expressed the opinion that perhaps they could get to a better understanding.

It is current belief in Orange today that the jury's verdict in the Kilty case will result in the speedy removal of the remaining obstacles to the beginning of actual work on the Pacific Electric railway extension from Santa Ana to Orange.

KNOCK THE PINS FROM UNDER EXAMINER

Santa Ana Bowlers Give Los Angeles Aggregation Good Lesson in Bowling

The Los Angeles Examiner bowling team came to Santa Ana last night and received a thorough lesson in the fine points of the game, the local aggregation taking the visitors down the alleys to the tune of 90 pins majority. It was a real lively game from start to finish, but the Santa Anans had the Indian sign on the Examiner bunch from the time the first ball was rolled. There was a goodly crowd of interested spectators who favored the Los Angeles with their enthusiastic approbation whenever they were given an opportunity.

The game was bowled on the Alexandria alleys, which were in the finest shape possible for any alleys anywhere to be in. The Santa Anans bowling were Torrance, Strange and Connors, while the Los Angeles trio were Laughlin, Senter and Fay. The second game was between Laughlin and Senter against Besser and Chandler, the last two of Santa Ana. The former twain got away with the honors by seven pins, leaving the locals 83 pins to the good on the night. A return match is scheduled for March 21 at the Cosmopolitan alleys in Los Angeles.

LEMONS SURE TO GO ON FREE LIST

Tariff on Other Citrus Fruits Will Be Cut—California Charged With Combine

WASHINGTON, March 14.—The ways and means committee has decided to put lemons on the free list and to reduce the tariff on all other citrus fruits to a nominal rate.

The committee found, it is declared, that the fruit growers of California have a combination to fix prices and to exclude from this country all foreign products of the ordinary class. In spite of the alleged arrangements between the growers, it is said the committee found that considerable high-class fruit is imported.

During the last ten years the importations have fallen from \$3,000,000 to \$100,000 worth annually. The value of the product of this country is \$13,000,000, on the farm. It increases its value several times before it reaches the consumer.

The committee is being bombarded by demands of representatives from Florida and California that the products of those states be protected. Virtually the entire delegations from those states have remained in Washington during the recess to bring pressure upon Chairman Underwood and the members of the committee to maintain a duty on the products of their states.

But little hope has been held out to them and they are now beginning to look to the senate for protection. Mr. Underwood has advised all these advocates of protection that the committee is determined to restore competition in the citrus fruit industry in this country.

Florida congressmen advised members of the committee that half of the industry of the state is based on citrus fruit growing and that a reduction in rates will set the state back ten years. Members replied that the development of Florida and California lands by exploiters has been almost unprecedented and that consumers of the entire country shall not be forced to pay a tax on fruits because people have invested millions in lands on the understanding that they would return fortunes for the fruit they produced.

THE AUTHORITY OF CHRIST WAS THEME OF WRIGHT LECTURE

Last night Rev. Paul E. Wright gave the fourth in his series of lectures on "The Literary Christ," the address being given at the Bible meeting of the Christian church. His address, which touched on the phase, "The Authority of the Character of Christ," is given below:

Authority is a strange word. As a quality it is nearly always imputed to the one possessed with it. By accident of birth a monarch is invested with authority over his people. When they are ready to divest him of this they have often done so. The scholar has an acquired authority by virtue of his long and painstaking study. He is often called on for expert opinion. This quality is not often found in characters of fiction; that is, it is not attributed to them to a very great degree. Let me mention that authority that comes from goodness, integrity of speech and life.

There is yet another authority, that which is delegated to an officer by his election to office by the people.

Now we are told that Jesus taught with authority and not as the scribes. Under which of these will his authority come? Or is there a combination of two or three of them in him?

He was not invested with the authority of a potentate. It is also apparent that he was not a scholar in the commonly accepted sense of the word. Yet his words do fall with all the weight of truth and wisdom. Whence is it? Remember he was slain at the age of 32. He could not have come to his conclusions by long thought made possible by a long life of study, contemplation, and experience.

You have no doubt been struck by the boldness of the sermon on the

NOSE AND HEAD STOPPED UP FROM COLD OR CATARRH, OPEN AT ONCE

My Cleansing, Healing Balm Instantly Clears Nose, Head and Throat—Stops Nasty Catarrhal Discharges. Dull Headache Goes.

Try "Ely's Cream Balm."

Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm

dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear. Rowley Drug Co.—Advertisement.

LANE A "PROGRESSIVE"

It was Theodore Roosevelt who made Franklin K. Lane an Interstate Commerce Commissioner, and Senator La Follette, for several years his next-door neighbor, was Lane's principal "environment" in Washington. As commissioner, Lane has been expounding good Progressive doctrine as to the regulation of railroads, and it is as a deep-dyed Pinchot conservationist that he becomes the directing force in the great Interior Department.

Aside from electing him city attorney of San Francisco the Democrats of California never did anything for Lane. They made him run for Governor once, but permitted him to be beaten. Then they forced him into a candidacy for mayor of San Francisco and let Schmitz and Ruef beat him.

It was at this low ebb of political fortune that Theodore Roosevelt reached across party lines and took Lane to Washington, making one of the very best and satisfying appointments of all his career as president. Then developed those neighborly relations between the Lane and La Follette families, of a warmth and intimacy unusual for official life in Washington.

With only a lawn between, it was an easy matter for the one to step over an evening and take the other on in an argument.

Doubtless it has been only sterling devotion that has kept Lane nominally a Democrat. The influences and environment have been strong against it.

By their enthusiastic approval of Lane's elevation to the cabinet, it is evident that the Progressives of California feel they have a right to "claim" him. It is in the Progressive papers that warmest expressions have been given of gratification over the appointment. Progressive leaders have as well been unrestrained in indorsement.

California has never been so unanimous as it is over Lane. For once, California did not "knock" one of her sons, as she has been wont to do whenever one of them was to be placed in high station at Washington. Even the Southern Pacific helped in the "boosting" of Lane. When Taft was about to appoint him to the federal bench, with designation to the Commerce Court, the railroad, aided by some pork barrel congressmen from the state, intervened and kept him available for a cabinet place.

The Progressives contend it was a characteristic Bull Moose achievement to introduce into national official life about as big a man as was available for the really biggest job of all the cabinet jobs. The Progressives even go further and say that their man is the biggest man in the administration. He has behind him no record of abandoned political theories, but, on the contrary, a consistent series of great decisions and works, dealing with some of the most difficult problems that ever confronted the country.

PASSING OF "PATRONAGE"

The fact that Governor Johnson is outspoken and unequivocal in his support of the Clark civil service bill is complete refutation of the oft-repeated charge that the Governor is endeavoring to build up a personal political machine. Incidentally it may be noted that under civil service rules there would be no more patronage for Herrin or his lieutenants to promise as a reward for future political work than there would be for Governor Johnson and his friends.

Assemblyman Clark's bill No. 502 would redeem the pledge of the platform of the Progressives, which promised the people emphatically that a state-wide service law would be passed if that party won the gubernatorial election.

The present legislature has the golden opportunity to inaugurate an ideal civil service system for California, and should not let it go by unimproved.

FOR WOMEN TO THINK OVER

Editor Register:—While our legislature is investigating the relation of the low wages of women to prostitution I have a suggestion to make to women of all classes—the reformers as well as those who need to be reformed.

There is one very important factor in the social evil problem that we are entirely overlooking and which we can remedy ourselves without the

aid of an investigating committee. It requires very little to feed and clothe the human body decently and comfortably. It is not the necessities of life that drain the purse of so many working women and drive them to a life of shame—not so much a fear of starvation as a desire to dress like other women. An eminent physician at Bellevue Hospital made it a point to inquire of all fallen women who applied to him for help the cause of their choosing a life of shame. A large percentage of them admitted that it was love of fine clothes. Why do they want fine clothes? Because other women have them. I admit it is a weakness but no greater weakness than characterizes the more fortunate class of women; it is only a matter of opportunities and environment. We all stand condemned alike before the bar of God; and I appeal to the women of the W. C. T. U., as I have done before, and to all other organizations of women to take up the subject of dress and see what relation

it sustains to the social evil. How much are we willing to sacrifice—if I may call the giving up of needless, foolish, frivolous, hurtful things a sacrifice—in order to uplift women and save them from a life of shame? This is not so much the work of legislatures as of women themselves; and while I am glad investigation is being made and sincerely hope it will result in an increase of wages to women—for no man or woman should be required to work merely for a comfortable living—I can not expect the increase to be in proportion to the demands of fashion, and so long as it is not there will be this temptation to the simple life. The women of California are no longer classed with idiots, lunatics and criminals. In the eyes of the law we are free citizens. It now remains to be seen what we will do with our freedom, and I know of no better way to show our appreciation and love of liberty than to shake off the galling

shackles of fashion to which we have voluntarily submitted and live as simply and plainly as our sisters who work for wages must do if they maintain an upright life. For my own part I am voluntarily living a simple life, within the limits, I think, of the salary of almost any wage-earner in California, and am ready to join hands with any woman or organization of women whose heart and soul are in this work. Let us hear from others. And while I have the floor I want to join the Chicago Suffragists in their protest against the use of the title "Miss." It does not touch me personally; therefore I feel free to say what I think. If a man is addressed as Mister, whether married or unmarried—though he may not even own a dog—I see no reason why the feminine, Mistress, should not be applied to any woman. In addressing a woman why announce the fact that she is married or unmarried? With that we have nothing to do. Formerly there was no distinction made,

the title Mistress, being applied to both married and unmarried women, and I protest against the change.

CONSERVATORY RECITAL

Enjoyable Affair on Beautiful Day Was Entertaining to All Attending

The last weekly recital of the Orange County Conservatory of Music was devoted to vocal as well as instrumental numbers rendered by pupils from Mr. Gustin's private class. Although not all the pupils were able to have taken part were able to be present the program nevertheless proved enjoyable to all who attended.

The day was ideally beautiful and the unusual number of spring songs and other bright and charming selections contained in the program proved entirely in keeping.

Some nervousness was evident on the part of a few of the pupils but this is apt to be the case with those who have reached the conscious stage, particularly those making their first appearance. The principal air and value of these frequent musicales, however, is to eliminate just this self-consciousness and timidity. A very charitable spirit reigns on these occasions and the pupil soon discovers that his fears are unjustified. Thus he gains confidence and a more spontaneous quality of expression.

Following is the program:
Air and Variations (Piano) . . . Handel
Miss Estelle Jessup
Fuer Elise (Piano) . . . Beethoven
Miss Josie Shumacher
Album Leaf (Piano) . . . Grieg
Miss Lela Sebastian
A Red, Red Rose (Vocal) . . . Hastings
Miss Cora Siefert
Songs Without Words, Nos. 1, 14, 44 (Piano) . . . Mendelssohn
Mrs. L. Langworthy
Pomponette (Piano) . . . Durand
Miss Lela Sebastian
The Spring Has Come (Vocal) . . . White
Mrs. Russell Coleman
Au Matin (Piano) . . . Godard
Miss Galene Finley
Love Song (Piano) . . . Henselt
Berceuse (Piano) . . . Godard
Mrs. Mable Kresen
Song of the Lovers (Vocal) . . . Anon
One Sweetly Thought (Vocal) . . . Ambrose
Mr. L. Langworthy
Prelude (Piano) . . . Doering
Fable (Piano) . . . Godard
Miss Georgia Liggett
Springtime of Love . . . Moskowski
Mrs. Russell Coleman

Violet Luncheon
Mrs. P. L. Topik, worthy Matron of Hermosa Chapter, O. E. S., entertained her officers at a violet luncheon on Wednesday. Smilax was employed with the fragrant violets in decorating the two tables in use and a violet design embellished the place cards.

Mrs. Topik offered "nuts to crack" as a diversion following the luncheon and Mrs. Alice Tubbs and Mrs. H. Clay Kellogg proved to be the most skillful at guessing the conundrums. Mrs. Tubbs winning the first prize, a pretty lace handkerchief, on a cut. Mrs. W. W. Clevenger won consolation prize, a hand-painted violet sachet.

The list of invited guests included Mesdames Tubbs, Clevenger, Kellogg, Worden, McCormack, Avery, C. F. Chase, Pease, Whidden, Benedict, Carvins, Dobson, Wassum, Meyer, Misses Whitton and Trickey; Mrs. Lillian Scott of Downey.

Torosa Rebekahs
Torosa Rebekahs initiated two new members last night, received three membership applications, and entertained visitors from several states. The usual tea was announced to be held at the home of Mrs. Theo. Lacy on Friday, March 28. Refreshments and a social hour ended the meeting.

Bishop Hughes to Speak
Bishop E. H. Hughes, L. L. D., is to speak at the First M. E. Church on Tuesday night at 8 o'clock.

Travel Club
The Young Ladies' Travel Club met Wednesday with Mrs. Henry Rutherford and continued the study of the Tyrolean Alps. The study of that interesting region has been most fascinating to the class.

Attendance of members reached the average and the social period following the reading was a pleasant one. Mrs. Rutherford served refreshments.

Michigan Picnic
Former residents of Michigan will gather tomorrow at Eastlake park, Los Angeles, in an all-day outing to enjoy the annual picnic of the organization. A program of speechmaking will be given during the afternoon.

MERRY BIRTHDAY PARTY

Happy Event Given in Honor of Fourteenth Birthday of Ruth Chambers

Mrs. Geo. H. Snyder successfully planned and carried out a surprise on her little daughter, Ruth Chambers, last evening. It was Miss Ruth's fourteenth birthday and Mrs. Snyder invited fourteen of her friends. They gathered at the home of May Wallace on West Pine street and went, with spirits unhampered by the fact that there were but thirteen able to be present, to the Snyder home on West Chestnut street. When Ruth blew out the candles thirteen went out with the first puff, the last being blown out alone. This undoubtedly proves that thirteen is her lucky number.

After a game of forfeits in the parlor the young folks went out in the moonlight to play "Scamp in the Garden" and "Last Call Wanted." Fun galore was enjoyed and it was a laughing bunch of children that was later called by Mrs. Snyder to a delicious supper. The thirteen at the table will never tell who sat in the "high chair" and who is fond of cake. The refreshments were sliced cling peaches, cake, candy and punch. Late in the evening the merry crowd left with good wishes for Ruth's new year of life and also left behind them a collection of pretty presents for the honoree.

Those enjoying Mrs. Snyder's hospitality were Ruth's teacher, Miss Bonnus, and Thelma Blue, Yvonne Rice, Marguerite Ruid, Luit McDonald, Irene Weaver, May Wallace, Ralph Chase, Forrest Roberts, Claude Greene, Asabel Hardy, Bryan Collins, Howard Ryan and Joe Hobson.

Farmers' Club Meeting
The Santa Ana Farmers' Club meets tomorrow evening at the residence of Mr. and Mrs. A. D. Bishop, Fairhaven and Grand avenues. Subject for discussion: "Should We Not Grow More Delicious Fruit?" All interested are cordially invited to be present.

The Clover Club
Mrs. E. L. Eckley was hostess to the Clover Club yesterday afternoon. Her home on Broadway was very daintily decorated with anemone blossoms. The ladies and with them their fancy work and over this they chatted during the afternoon. Pleasing refreshments were served by Mrs. Eckley.

The club ladies, besides the hostess, present were Mesdames Frank Miller, T. B. Elliott, Hugh Hill, Fred Blauer, Will Elliott, Ed Johnson, E. A. Bell, O. M. Newman; Mesdames Chapline, Syvester, Park, Knight of Orange.

Personals

Miss Weston of San Francisco is expected here tomorrow to visit her cousin, Mrs. E. B. Burns. As six years have passed since Miss Weston's last brief visit here, she will find a vast change in Santa Ana.

Principal McMath of the high school was in Los Angeles last night as judge in a debate. The debate was between Los Angeles Poly High School and Huntington Beach. The former won. Mrs. R. F. Miller will leave for her home in Des Moines, Iowa, tomorrow, after visiting relatives here for the past three months. She was accompanied by her mother, Mrs. Elizabeth Raugh and her sister, Mrs. Maude A. Miller, who will spend the summer in Iowa.

"PARSIFAL" PRODUCED

Wagner's Opera Illustrated by Song, Graphic Description and Pictures

Very like the illustrated travelogue of Wednesday evening, Mr. Kingsley on yesterday afternoon took up the subject of "Parsifal" and gave even a more interesting talk than he did the night previous.

As in his first lecture a number of beautiful stereopticon views were thrown on the canvas and Mme. Mottram sang a number of songs by German Composers.

Mr. Kingsley enlivened this lecture by relating several little anecdotes and folk-lore tales, the most interesting, perhaps, being the story of the Lorelei, those mystical sirens of the Rhine, who lured the sailors to destruction by their sweet songs, "so plaintively did they sing." "The Pied Piper of Hamelin," "The Mouse Tower" and other tales which were applicable to scene and music.

During a sketch of the scenes Kingsley played the "Moonlight" Song. Kingsley played the "Moonlight" Sonata, expressively, artistically, beautifully.

At night, "Parsifal," considered by many to be the greatest of all of Wagner's great music dramas, was the theme of lecture and illustration.

As an introduction to the principal theme of the evening Mr. Kingsley made brief mention of Wagner's life work, touching lightly upon some of the great German composers' earlier and less important works and giving more length to his later and greater operas.

Some very interesting material was this given on "Tannhauser," "Lohengrin," "The Flying Dutchman" and "Tristan and Isolde," with incidental music on the piano by Mr. Kingsley and several vocal numbers by Mme. Mottram.

Then followed "Parsifal," the whole opera passing in panoramic array of brilliant scenes, with incidental music, while the graphic story was told by Mr. Kingsley as scenes merged into acts and acts into the completed whole.

Too much cannot be said in praise of some of the pictures in this production, which were as beautiful as any thing of a similar nature that has ever been shown in Santa Ana.

Mr. Kingsley's piano work was also well done, particularly "Klingsor's Despair" and the "Journey Through the Mountains."

To those who have never witnessed the opera as given in New York at the Metropolitan, last night's entertainment was well "worth while" and of a highly educational character; to those who have seen and heard it with some of the great singers in the cast—to those—it was a very pleasant refreshment of memory.

Santa Ana lovers of the best in art appreciate the effort of Mr. Gustin in bringing Mr. Kingsley's Travelogue entertainment here. While Mr. Kingsley was severely handicapped on Wednesday evening by an injured arm and a cold stage and was unable to do himself justice, the entertainments of Thursday afternoon and evening were highly commended. Last evening Mr. Kingsley was most generous with his numbers, and gave much extra information on the general compositions of the famous composer of Parsifal.

Tustin W. C. T. U.
The ladies of the Tustin W. C. T. U. met at the hospitable home of the president, Mrs. A. L. Shatto, to elect officers for the ensuing year and listen to the reports of the various officers and superintendents.

The meeting was opened by song. After scriptural service, reports were given by the officers. First came the treasurer's report by Mrs. Kate Ebel, showing that while a number of causes had been aided by the organization, it is still in good financial condition.

Mrs. Ella Brown, corresponding secretary, gave a splendid report and it was as follows: "Eighteen regular meetings were held with an average of sixteen in attendance. Two red letter days were observed, Flower Mission Day and 'Willard Memorial.' Two mothers' meetings were much enjoyed. An all-day Institute in charge of Mrs. E. M. Crawford was one of the best meetings we have ever had. All the Unions of the county were invited and there were about seventy-five in attendance. Several ladies were present from Santa Ana and assisted with the program. Mrs. Sallie Ferris, state superintendent of anti-narcotics, gave an enthusiastic address which all enjoyed. Music and discussion of various subjects filled the day."

Mrs. Cranston, superintendent of physical education, secured Mrs. C. P. Wheat, state superintendent of that department, to give an address. She gave a good address, urging that better use be taken of that Temple of God, the physical body, and that more instruction be given the young.

"At the 'temperance legislation' meeting Mrs. J. N. Anderson of Santa Ana gave a most interesting and instructive talk, which was much appreciated by all."

Good work has been done in all of our departments, each superintendent having at least one meeting devoted to her subject. A banquet was given in the Presbyterian church for the teachers of Tustin, with a good attendance and fine program.

A letter of protest was sent to the Berkeley University against the attitude on the liquor subject, also a petition was signed and sent, also a number of others, such as anti-cigarette, Sunday rest, etc. Anti-cigarette blotters were placed in the schools. Copies of the Crusade and Temperance Quarterly were placed in the schools, also the School Physiology Journal was sent for the use of the teachers.

"Generous contributions were sent toward the erection of national headquarters in Japan. Rausen home, to Chicago to help assist homeless women for state work to Temperance Temple and for a cup or banner for the Triangle League. We have been saddened by the loss of a charter member, Mrs. Mary A. Vanderquelen, and a dearly beloved sister, also Mrs. Mary Cooper Pickering, who was at one time a member."

The annual election of officers then took place. The old officers were elected with the exception of Mrs. Ebel and Mrs. Rawlings, who just exchanged places.

QUINTETTE FACES VAGRANCY CHARGE

There were five of them—count 'em—W. J. Critton, J. F. Thomas, J. Tensen, G. W. Landberg, and Joe Cunningham—and they were found making themselves at home last night in the Santa Fe railroad yards on the east side. They received an unexpected visit from Officers Hamilton, Murray and Ryan and were removed to the county jail. When the Santa Fe police department heard of the arrest, Officer Adams of that company sent word that the company would prosecute the quintette because the company is determined to keep its lines free of vagrants.

STATE HIGHWAY BONDS SELL IN SOUTH

Southern California Buys Bonds Sufficient to Build Big Section of Road

LOS ANGELES, March 14.—Southern California is coming nobly to the aid of the state highway, according to N. D. Darlington, state highway commissioner, who states that in the southern coast counties more than \$1,000,000 in bonds would be purchased—enough to complete the state highway from Santa Barbara to San Diego.

"The banks of Southern California have made the most encouraging reports during the past few weeks," said Mr. Darlington. "The Security Trust and Savings Bank of this city purchased \$250,000 of bonds, the First National Bank \$150,000, and other banks here have signified their intention of purchasing bonds at an early date. Orange county banks have asked for \$200,000 of the bonds, and banks in San Bernardino and Riverside have agreed to take up \$775,000 worth of the bonds. San Diego's financial institutions have signified their intention of taking up a block of bonds. Santa Clara and San Mateo county banks will take up enough of the bonds to complete the highways in those counties. If part of the bonds are sold it is certain that the intervening spaces in the road; outside of counties that have not provided for the purchase of bonds, can be built so that the road from San Francisco to San Diego will be completed in 1915."

The legislature is considering a bill at the present time which provides that the governor may appoint a financial agent in New York city. If this bill passes the fiscal agent could pay the interest on the bonds in New York instead of at Sacramento, and thus save the bond buyers paying the rate of exchange which has reduced the value of the state highway and San Francisco harbor improvement bonds to the point where they are now practically unsalable. The bill will likely pass.

Commissioner Darlington has just received reliable information as to the strength of the concrete base which is being constructed on all of the state highway roads.

REVOKES PERMIT GRANTED MRS. RICHART

Sheriff Ruddock Declines to Let Her Carry a Concealed Deadly Weapon

A little incident has just come to light that indicates that the officers of the law have not entirely lost track of the case of Mrs. C. E. Richart, who recently came to public attention because of an alleged attack that had been made upon her near her home on the San Joaquin ranch about a month ago, and because of her subsequent confession that she was the author of certain anonymous letters that had been received by her through the mails.

Upon Mrs. Richart's representations that she was in fear of harm from the author of the anonymous letters, Sheriff Ruddock granted her permission to go armed. This fact was recalled a few days ago by the sheriff, and inasmuch as he is still investigating various angles of the case that have not been satisfactorily explained to him, he decided to revoke this permit. This has been done.

When Sheriff Ruddock was asked today what further steps, if any, he contemplated taking in this case, he said:

"There is nothing to make public. It is true that I am not satisfied with the mere confession on the part of Mrs. Richart that she sent herself threatening letters. I revoked the permit that I gave her simply because the permit was issued upon her representation that she was in deathly dread of being attacked by her alleged enemies. As these enemies have proven to be mythical I do not feel that Mrs. Richart ought to have the permission that I granted her under circumstances that were misrepresented. As to what the future may bring forth I cannot say and do not care to discuss the case at all for publicity."

MUMPS RAGING AT CLAREMONT—15 GIRLS, 30 MEN SICK

CLAREMONT, March 14.—An epidemic of light cases of the mumps still rages in Claremont. Fifteen women, mostly college girls, and 30 men are under quarantine. Dr. Stoughton, the college physician, is overwhelmed with calls. The work in many of the college classes is interfered with and it is rumored that the reason for the dismissal of the literature classes under Dr. Spalding is that she is quarantined with a light case.

Mumps have become the topic of conversation. The word is written on the blackboards and one budding poet was written a poem on this inspiring subject.

The main cause for worry seems to be that the epidemic will carry away more of the college athletes. If before Saturday there are no more cases among the track men, the whole college will have a sigh of relief.

SANTA ANA, CALIFORNIA, FRIDAY EVENING, MARCH 14, 1913.

NEW GARAGE AND MACHINE SHOP GOING UP

Before the month of April is very old, Reinhaus Brothers will have added to the business attractions of Santa Ana, a down-to-date garage and general machine shop that will answer every purpose of such an establishment of the best class. Contractor H. A. Skiles has the construction work in hand and he will have the finishing touches put on by the closing days of this month, so that Percy Theban, who has leased the structure, will be enabled to take possession.

The new garage and machine shop is being erected on the south side of East Fourth street, near Lacy. It will cover land space 60x110 feet. It will have a concrete foundation and concrete floor, with the frame covered with corrugated iron. The front will be plastered but will be mostly in fine plate glass, after mission style of architecture. The cost will be between \$3000 and \$4000.

MORE AUTHORITATIVE TESTIMONY TO ORANGE COUNTY'S IMMUNITY FROM SERIOUS DAMAGE BY FROST

In Orange County the freeze was lighter than in, perhaps, any other section, and it is estimated that practically eighty per cent of the crop will be shipped.—"Bradstreets" for March.

So much misleading, inaccurate and apparently malicious matter has been published in the east regarding the freeze in California that it is exceedingly gratifying to find a conservative financial journal giving a fair and optimistic review of the situation. A copy of Bradstreets for March 1 has reached this office, and it contains a very candid and interesting report on business conditions following the freeze that cannot fail to be beneficial to Southern California. As a striking contrast to some of the "scare head" articles which have appeared, Register readers will be glad to read the following report in Bradstreets:

I have just returned from a tour through the orange belt after having inspected groves and talked with growers, packers and bankers located in those districts affected by the late freeze. To begin with, it may be said that no district escaped unscathed, and the percentage of loss in most districts runs from 60 to 95 per cent. For instance, in the Riverside, Redlands, Highlands, Ontario, Upland, Pomona and Claremont sections, it is estimated about 85 per cent of the crops will be lost. For some reason Rialto escaped with a loss of about 20 to 30 per cent, and Corona with about 20 per cent. IN ORANGE COUNTY THE FREEZE WAS LIGHTER THAN IN PERHAPS ANY OTHER SECTION, AND IT IS ESTIMATED THAT PRACTICALLY 80 PER CENT OF THE CROP WILL BE SHIPPED. Authorities consider it a very difficult matter to estimate the amount of freight which will go forward, as that depends entirely upon weather conditions from this time on. There is, for instance, considerable fruit which has been frost-

ed but does not show decay, and which will be shipped. The freeze was the result of purely freakish weather, being what is termed a "wind freeze," and it may not be repeated in 20 years. Localities commonly considered in a frostless belt, with a record of 15 years or more behind them to back up this claim, were hit hardest this year. Therefore, the fact that one locality is able to ship more than a neighbor has no significance as far as their relative merits are concerned. Some of the fruit appears only slightly touched and looks well, but it is difficult to determine whether it will stand shipping, and this uncertainty, coupled with the fact that the freight charges have to be guaranteed by the grower, and the further fact that eastern inspectors are rigid, precludes much further shipping, as it is questioned if there is really more than 1500 cars left in Southern California that can be guaranteed absolutely free from frost.

Now, as to the probable effect the freeze will have on business in the towns through the orange belt. The banks say they have made arrangements to get all the money they need, and have indicated a preparedness to take care of their regular customers of responsibility, but naturally they will be loath to stand back of those merchants who were in a more or less unsatisfactory condition prior to the freeze. They will also be very conservative in their dealings with new businesses. However, it may be said that most merchants in the orange districts are in position to weather the storm, and it is believed there will be very few, if any, important failures. Failure may be hastened in certain quarters where operations have been carried on with

insufficient capital, and where the line is overdone. Collections will undoubtedly be slower, largely because of the fact that those merchants who have usually been more or less inclined to let payments drag will seize upon the recent unfortunate freeze as a ready and ever-present excuse for tardiness this year.

The local newspapers throughout the belt are advising both retailers and consumers to buy everything possible at home, the retailers being urged to trade in coast markets and consumers in their home towns. Already many merchants have canceled eastern orders and will buy in home markets on a hand-to-mouth basis this year. It is expected building operations in the affected districts will be curtailed. In addition, many fruit packing employes are already out of work. In many localities, the banks say, the owners of groves and others have been realizing on eastern securities and interests, and considerable money has been coming in from the east in consequence, and therefore the requests for local accommodation have been light.

That the growers are not at all discouraged by the freeze is evidenced by the fact that bargain hunters for groves have been unable to pick up any. It is expected the growers will get every possible co-operation from the banks, as the latter do not want to take over any groves for the purpose of liquidation if avoidable. One of the largest fertilizing companies has issued a circular agreeing to carry the growers' fertilizer accounts for one year at 6 per cent. It is expected other fertilizer companies will make similar offers. In most sections only the very young or nursery trees have been killed.

MORE THAN QUARTER OF MILLION DOLLARS FOR NEW BUILDINGS

Santa Ana Enjoying Full Share in the Splendid Construction Work That Is Going on in the Southland

More than a quarter of a million dollars is the total amount represented in the construction of new buildings that have been started in Santa Ana since the first day of the present year. The unofficial totals obtained from the office of City Inspector Roper shows that \$260,435 is going into new business blocks, schools and homes here. Population considered, this is the largest sum expended by any Southern California city thus far this year in the building line. Proportionately it is a much larger sum than that of any other city in the entire southwest.

The month of January showed only about \$29,000 represented by the list of official permits issued, but in February, the total jumped to the impressive total of \$142,775. This was a splendid showing, but already the month of March gives promise of exceeding even this fine record. At the close of business in the building inspector's office last evening, the permits issued thus far this month aggregated in the value represented, \$89,060. Thus the total to date this year is \$260,435.

The permit for the last main building in the polytechnic high school group was taken out by the board of

education yesterday afternoon, and delivered to Contractor Condon. This was for the administration building, which is to be the center of the group. The cost is given at \$73,000.

Following is the list of building permits issued this week:

I. F. Cady for one-story artificial stone residence at 1427 West Fifth street to cost \$700.

George W. Minter for a concrete garage at 322 West Third street to cost \$250; George E. Preble, contractor.

N. J. Galbraith for six-room bungalow at 1029 West Third street to cost \$1600.

Santa Ana High School District for two-story brick administration building on Walnut street to cost \$73,000; G. C. Congdon, contractor.

A. E. Wood for a second-story screen porch at 841 North Broadway to cost \$100; Bruce Schroll, contractor.

Jacob Ralph for one-story blacksmith shop at 203 French street to cost \$100.

J. B. Sawyer for one-story residence at 829 Ross street to cost \$1600.

E. Ayers for one-story frame addition to lunch counter at 514 East Fourth street to cost \$35; A. R. Barnes, contractor.

ANOTHER BIG OIL GUSHER BROUGHT IN

FULLERTON, March 14.—The Amalgamated Oil Company brought in another new gusher yesterday in No. 12, at a depth of 3200 feet. For hours it gushed oil at a rate of between 1500 and 2000 barrels an hour. It is also a great gas well, sending it up under heavy pressure. The well has been brought under control and is now on the pump. When first brought in the gusher made so much "noise" it could be heard some distance. A large number of people went up to see it yesterday and last night.

SANTA ANA MADE MATERIAL INSPECTOR

FULLERTON, March 14.—Robert Cogburn of Santa Ana has been named by the city trustees of Fullerton as their choice for inspector of material and methods to be used in construction of the city's improved streets. His name will be suggested to the city road commission for approval before the contract is made with Cogburn. His qualification for the job is without question, having been demonstrated by like service at Santa Ana, Anaheim and other places where such work was done under his supervision. If engaged for this job he intends to move here and become a citizen of Fullerton. His pay for the work will be at the rate of \$150 per month, while construction of the new street system is in progress.

ANNUAL FESTIVITIES AT NEWPORT BEACH

Hundred Thousand Dollars Proposed for Jetty at Entrance to Bay

NEWPORT BEACH, March 14.—The annual banquet of the Newport Beach Chamber of Commerce was held at Cooley's Cafe at East Newport Wednesday night. The following officers were elected for the ensuing year: President, Albert Hermos; vice president, Fred W. Beckwith; secretary, Charles H. Wallace; treasurer, State Bank of Newport; delegate to Associated Chambers of Commerce, W. A. Cornelius.

Petitions are being circulated asking the board of trustees to call an election to vote on the proposition of issuing bonds for \$100,000 to build a jetty at the entrance to Newport Bay. The petitions are being generally signed and contain the names of people who have heretofore voted against every bond issue that has come up in the city. This is taken as an indication that there will be no difficulty in carrying the bonds.

Ralph Newcomb has been making a series of successful flights along the surface of Newport Bay. Newcomb has the Wright machine on which he and Robert Fowler flew across the continent. The machine has two pontoons but differs from most hydro-aeroplanes in that it has no air tanks on the ends of the wings. Newcomb will experiment with the machine for two weeks longer when he will leave to give a series of exhibition flights through Southern California.

The city trustees have employed Engineer J. I. Seamans to make an appraisal of the local light plant, bonds for the purchase of which were voted last September. If the appraisal is satisfactory to the owner of the local plant the city will build a distributing system out of the general fund and buy its juice from one of the big power companies, the offer of which is in the hands of the city clerk.

"The Socialist Challenge"

By Christian Balzac Hoffman

The first of a series of five lectures will be delivered by Christian Balzac Hoffman at Spurgeon's Hall, Saturday, March 15th, at 8 p. m.

Mr. Hoffman, who is a profound scholar and deep thinker as well as a successful banker and business man, finds his greatest pleasure in promoting Socialism. If you are opposed to Socialism attend this series of lectures to learn how to combat it effectively. If you believe that there should be plenty for all, then attend this series of lectures to learn how to help secure it.

ARRANGE SESSIONS OF SUPREME COURT

California's Highest Judicial Body Meets in Los Angeles in Early April

The April session of the supreme court this year has been shifted from the first to the second Monday of next month, and the initial session will be held in the Bullock building, Los Angeles, April 14, at 2 p. m., continuing over Tuesday and Wednesday, the court sitting in bank on these days.

On Tuesday arguments in the famous "Tidelands" suit will be resubmitted. Wednesday, the action brought by the city of Pasadena against the Pasadena school district involving alleged violation of building restriction laws in the construction of a schoolhouse, will be argued and submitted.

Thursday, the court will divide into Departments Nos. 1 and 2, the first department consisting of Justices Angelotti, Shaw and Sloss, the second of Justices Henshaw, Melvin and Lorigan.

Among the cases to be heard in Department No. 1 will be the appeal from Judge Wilbur's judgment in the suit brought by Dr. W. Lemoine Willis against Madeline F. Willis for disposition of the estate of their mother, Charlotte L. Willis, involving a large amount of property.

Twenty-seven cases have been certified back to the district court of appeal for trial by the supreme court. The final session of the supreme court will be held Monday, April 21.

STEPHENS TO URGE U.S. STEAMER LINE

Will Offer Bill for Government-Owned Steamers Through Panama Canal

WASHINGTON, March 14.—If the proponents of the repeal of the free-tolls provisions in the Panama canal measure succeed in winning their fight, it is not unlikely it will be followed up in congress by a step much more far-reaching than free tolls.

Representative Stephens states that he will introduce at the outset of the special session his bill providing for a government-owned line of steamers through the Panama canal.

Mr. Stephens is strongly in favor of free tolls and hopes the provisions will not be repealed. But he points out that if the free-tolls provision is repealed, then the agitation for a government-owned line is certain to be increased.

It is persistently represented here that despite the plank for free tolls in the Baltimore platform, the administration will come out for the repeal of the free-tolls provision. The fact that Senator O'Gorman of New York, who is for free tolls, is slated for chairman of the inter-oceanic canals committee of the senate, is a factor in the situation.

NEWS NOTES AND GOSSIP FROM TOWN OF ORANGETHORPE

ORANGETHORPE, March 14.—Mr. and Mrs. C. A. Smith entertained relatives from the old home land last week. If the visit awakened a pang of homesickness that would, only be a common sequence. The guests were Mrs. M. E. Ballif of Corvallis, Ore., Mrs. E. Wilde of Pasadena and Mrs. A. E. Miller of Manly, Iowa.

Miss Clara Jackson took an auto load of young people to the track meet in Santa Ana Saturday.

Orangethorpe is in a position to accept congratulations on account of several new and interesting families who have decided to locate in this district. A cordial welcome is hereby extended.

F. Colter was called to Los Angeles last week to the bedside of his mother, who was taken suddenly and dangerously ill. A friend had presented the family some very fine olives which were sealed in tin cans. Instead of turning the fruit out of the can immediately when opened it was left in the tin receptacle for some time. From this supply Mrs. Colter ate freely, thus bringing about disastrous results, for in a short time she was in agony. A physician diagnosed the case as ptomaine poisoning. The attack did not prove fatal. She is rapidly convalescing.

The meeting of the Parent-Teacher association last Friday proved to be a most enjoyable entertainment. There were thirty members present. An interesting program was presented.

NOTICE

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

LOS ANGELES PRODUCE MARKET

Several small shipments of local lemons have come in lately. One was received yesterday from Olive, and the fruit was quoted at 20 cents a pound. The price during the height of the season is around 3 cents a pound. Receipts of the fruit should improve to quite a degree by April 1. One of the first boxes received this season brought \$9, at the rate of 30 cents a pound. Apple and banana prices were about the same. Receipts of apples were good.

Onions of good quality are firm around \$1 a sack, most of the stock being storage. Good sweet potatoes were quoted at \$2.25 to \$2.50 a sack. Some grades sold as low as \$2 to \$2.10. The potato market remains easy, with large receipts yesterday. Telephone peas from Haywards were quoted at 17 to 20 cents a pound. Peas are also received from Brawley and sell around 20 cents a pound. Tomatoes are likely to be very scarce owing to troubles in Mexico. They are now quoted quite generally at \$1.65 to \$2 a box. Eggplant from the southern states was quoted at about 15 to 20 cents a pound in most instances. A small lot of wax beans from the South were quoted at about 25 cents a pound. Strawberry rhubarb, which is now on the market, brought \$2.50 to \$3 a crate.

Walnuts No. 1 Association were quoted at 17 to 18 1/2 cents a pound. The market has strengthened a little. Unbleached and bleached walnuts are rather scarce. Budded are quoted in some instances at 19 to 20 cents a pound. I.X.L. and Nonpareil almonds are at 17 to 18 cents a pound. Eggs dropped 2 cents yesterday. Receipts were good and it is believed that the demand has been slightly lightened. Receipts have not improved materially and the storage supply is practically cleaned up. It does not seem likely that higher prices will be witnessed and a decline is due in a week or so. Cheese remained pretty steady and until the butter declines is not likely to show any marked change.

Reported receipts were: Eggs, 653 cases; butter, 21,147 pounds; cheese, 349 pounds; potatoes, 2035 sacks; onions, 318 sacks; sweet potatoes, 47 sacks; apples, 190 boxes. EGGS—Ranch, candied, 24; fresh ranch, case count, buying price, 21; retail—Santa Rosa extras, 20¢/21; northern case-count, 16¢/19.

delivery was gone over by the inspector in an automobile trip with Postmaster Edwards. Three carriers are to be named, and all applicants must take a civil service examination. Three deliveries will be made daily in the business district. There will be letter boxes for the convenience of the public located at the Santa Fe depot, one near the high school, and another at Spadra and Commonwealth avenues.

The grammar school trustees are taking up the matter of plans for the new building that is to be erected here soon. Cattle & Hopkins of Los Angeles, architects, have been employed to prepare the plans and supervise the construction of the building. There will be fourteen classrooms in the building and it is expected that the contract will be let and work begun in about one month. The trustees hope to have the building completed in time for use at the beginning of the school term next fall.

BUDGET OF NEWS FROM WESTMINSTER

WESTMINSTER, March 13.—While returning from Stanton on Wednesday the horse driven by Chas. Parr became frightened when a bolt broke and let one shaft fall, and ran away. Mrs. Parr and baby were thrown out and while much bruised they were not seriously hurt. Mr. Parr managed to stop the horse. A passing auto brought them home.

The school children had a picnic on Saturday at the Roberts ranch. A picnic dinner and games made up a very enjoyable day.

Mr. and Mrs. E. A. Hare were over Sunday guests of friends in Los Angeles.

Mrs. Grace Watrous of Los Angeles is at the home of her son, Frank Watrous, for a week's visit.

Mrs. Geo. Abbott spent Saturday in Los Angeles. He daughter, Mrs. Harry Richards, came home with her for a week's visit.

Guy Mansperger left Saturday for a couple of weeks in Imperial. He is looking for a ranch.

Miss Lottie Lyman and Mrs. Maria Harris of Santa Ana spent Tuesday at the home of Mrs. Harris's brother, R. E. Larter.

Miss Anna Hosking of Los Angeles, formerly of this place, spent the week with the family of Harry Penhall.

Miss Pearl Morrill of Orange is visiting with Grandma Penhall this week. Dr. and Mrs. Shank of Huntington Beach were Sunday visitors at the home of J. F. Patterson.

Miss Daisy Kneel spent the week end with her parents in Los Angeles. The local F. A. A. met in a called meeting on Tuesday evening and elected Mrs. N. Russell as delegate to the district convention at Los Angeles on March 20.

Rev. A. M. Fisher of Pasadena was greeted by a large congregation at the M. E. church on Sunday morning. His sermon on Tithing was well worth hearing.

Get It Done Right Why? Simply because it pays. Every auto man knows that cheap repairing is the most expensive in the end. GRANDMOTHER USED SAGE TO DARKEN HER FADED OR GRAY HAIR

Mixed With Sulphur It Makes Hair Soft, Beautiful; Cures Dandruff

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect.

Put the brewing at home is messy and out-of-date. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—

you will get a large bottle for about 50 cents. Some druggists make their own, which is usually too sticky, so insist upon getting Wyeth's, which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says his customers insist on Wyeth's Sage and Sulphur, because, they say, it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. Rowley Drug Co.—Advertisement.

FIGHTING PROGRESSIVE SPEAKS IN ADMIRATION OF CALIFORNIA

SAN FRANCISCO, March 14.—A. Cruzen, one of the men fined and imprisoned by the Idaho supreme court for publishing Theodore Roosevelt's criticisms of it, has been a visitor in San Francisco for a week. He is a fighting Progressive and one whose ardor has not been cooled by his experience as a jailbird.

"I am much pleased by what I have learned here about your Progressive state government," says Mr. Cruzen. The enemy has been busy in the Eastern press with discrediting reports. I had been so impressed by them that I have had occasion to feel agreeably surprised over a number of things I have learned as to the truth of the conditions of the state government in California.

"Other states in the Union, including Idaho, can learn much from California. You are blazing the trail out here in the progressive march of government. Your railroad commission is doing a splendid work and is setting an example that is epoch-making. Your governor is a great man and he is surely destined for a great career. To have freed the state from the domination of an all-powerful corporation and built up a government that is really for the people and of the people shows that Governor Johnson has high qualities of statesmanship.

"There seems to have been a marked ability guiding all the works in the regeneration of the state. I gather that the Governor accounts for it in most part, but also that he has been eminently successful in getting strong men to help him.

"Good government is one of the best paying investments the people can make. What I like about your achievements here is that they have been along practical lines and that there is a thorough soundness in them. You are on sure ground all along the line. The enemy is trying to make it appear in the other states that California is in the control of visionaries and that the people are sick and red. I have found that to be absolutely contrary to the fact. Everywhere in California I have encountered an intelligent appreciation of what has been done under the new regime.

"It is too early to pass judgment on President Wilson and the Democrats. Let us give them a fair chance. The Democratic House of Representatives has made a record for extravagance already and is otherwise demonstrating its failure to live up to the party pretensions. However, let us give the administration time and see how it works out. There are many rocks ahead of it."

AMUSEMENTS

"The Merry Widow" In the story of "The Merry Widow" the country of Moravia is meant for Montenegro and the Prince Danilo of the play, by virtue of the wishes of the impudent librettists, bore the name of the crown prince of Montenegro, the same Danilo who went to the front. This all came out after the original production of the great opera in Vienna and through the bitterness of the Montenegrins when they found that incidental to the appealing love story of their own national poverty had been revealed.

The argument in the Austro-Hungarian press on the one hand and the Montenegrin periodicals on the other was incessant for a while and the stronger nation poked all sorts of fun at the weaker. But Montenegro, led by this same Prince Danilo, lit the first torch of the Balkan war. Austria-Hungary is standing by for the promised dismemberment of Europe for Turkey. They may all be soon fighting among themselves over the spoils and the Montenegrins may yet dance in Hungary to the tune of "The Merry Widow" waltz.

The new and lavish production of Lehar's famous opera, which is promised by Henry W. Savage for the engagement at the Grand Opera House, Tuesday, March 25, is therefore fraught with current interest. Mr. Savage promises a pretentious production. That he will keep his promise is not hard to believe. He

has always been reliable in such matters. "The Prince of Prison" not only renews its original glories with each of his reproductions of it, but seems to take on added excellence.

The ladies of the audience will of course have to be satisfied by Mr. Savage. The problem of hats alone must be a perplexing. "The Merry Widow," most famous of bonnets, must be duplicated. To find a substitute for it means the taxing of the brain matter of the best milliners of Paris. This, we understand has been done.

It is in the cast also that Mr. Savage is noted for keeping faith with his public. No Savage production is ever really badly cast. He has always displayed his respect for the person who pays his money to see a Savage company by employing the best actors at any cost. Where two companies play the same piece for him they are of equal merit. To him the "Number 2" is unknown.

The excellent cast which gave "The Merry Widow" here last, will be with few minor exceptions here again. Mabel Wilber, the sweetest widow of them all, will again sing the role of Sonia; Charles Meakins will play its prototype, Prince Danilo; F. J. McCarthy, one of the originals of the originals, will again be present. Oscar Pigman has again the part of Baron Popoff. Among the many others will be Arthur Woolley, Olga Rorer, Vernon Dalhart, Walter C. Wilson, Lon Clark, Jr., J. D. Siller, Cynthia Perot, Peggy Thompson, Minnie Otten, Kent Elliott, Viola Napp, Anna Gerlin, Shirley Love, Ardina Brenner, Margaret Latham, Betty Stone, Lola

Rudd and Louise Cook.

Then again Mr. Savage will offer the "Merry Widow" orchestra. This organization is composed of the best soloists of the Savage grand opera orchestras, is a complete organization in itself, and plays the entire score without a written note. The conductor is Alfred Meulon.

Herman Reuter says that there are hundreds of people who would rather see an amateur show, any day, than a professional one, because the amateurs "put more life in their work."

And that he is sincere in his belief is evidenced by the fact that he keeps putting 'em on.

"Burglars at Brighton" will be ready in about two weeks and from all accounts the farce is one which will give the actors ample opportunity to be "lively."

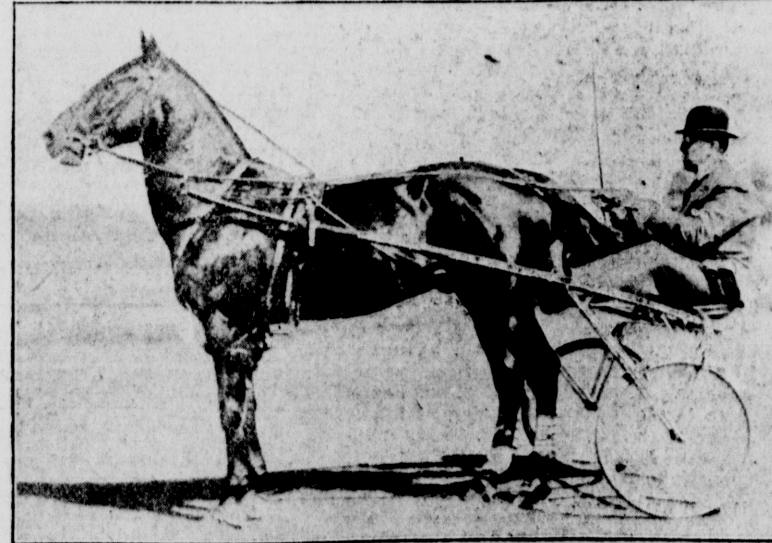

NEW PACIFIC LIMITED TRAIN BEING ARRANGED

Officials of the Union Pacific, Southern Pacific, and Chicago, Milwaukee and St. Paul railroads are expected to meet in New York today to decide on the schedule for the new Pacific Limited. The present plan, subject to the sanction of the New York meeting, is to run a ten-car train out of Chicago and divide the train at Ogden and make both Los Angeles and San Francisco the terminals.

Best for Skin Diseases

Nearly every skin disease yields quickly and permanently to Bucklen's Arnica Salve, and nothing is better for burns or bruises. Soothes and heals. John Doye, of Gladwin, Mich., says, after suffering twelve years with skin ailments and spending \$400 in doctors' bills, Bucklen's Arnica Salve cured him. It will help you, only 25c.
